FILTRATION, PURIFICATION,
AND MAINTENANCE
SOLUTIONS IN YOUR FACILITY
CREATE AN ENVIRONMENT
THAT IS COMFORTABLE AND
SAFE FOR EVERYONE.

- **FILTRATION.**
Remove symptom causing dust, pollen, mold, and dander, as air circulates through your central air system.
- **PURIFICATION.**
Commerical building active air purification uses ionic air scrubbers to neutralize indoor pollutants in the air, on surfaces, and wherever air goes.
- **MAINTENANCE.**
Germicidal UV lights work with filtration by reducing biological contaminants 24/7. Even when your HVAC system isn't running.

POLLUTED INDOOR AIR CAN
CONTRIBUTE TO CHRONIC
LOWER RESPIRATORY DISEASES
WHICH ARE THE 3RD LEADING
CAUSE OF DEATH IN THE
UNITED STATES.

Protect those in your facility from airborne particulates, allergens, dust, and dander. Cleans the air in your building every time your heating and cooling system is on.

- Electrostatically charged, 100% synthetic media to provide high particulate efficiency
- MERV 11 and MERV 15 filtration options
- Easy filter cartridge replacement lasts up to 12 months

All the features of the Air Knight® PX5, plus enhanced with a unique bi-polar ionization system that encourages airborne particles to gather together. Making even your existing air filter better and more efficient than before.

- Reduces bacteria, mold, viruses, odors, VOC's, and smoke
- Removes 2X more VOC's than PX5 alone
- 99.97% bacteria reduction

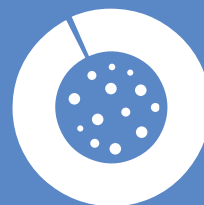

The Air Knight® PX5 Air Purification System uses a unique new indoor air quality process to naturally produce ionic oxidizers that proactively seek out and purify pollutants in the air AND on surfaces.

- Reduces bacteria, mold, and viruses
- Controls odors, VOC's, and smoke
- Air and surface treatment
- 98.86% bacteria reduction

Laboratory-tested and proven to reduce mold and bacteria, germicidal UV optimizes your indoor air quality by disinfecting coils, drain pans, and duct surfaces.

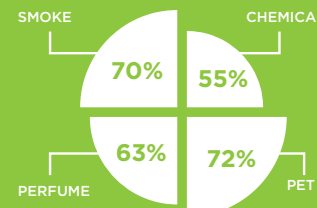

- Fights mold and bacteria growth
- Operates 24/7 disinfecting cooling coils, drain pans, and duct surfaces.
- Works in conjunction with your air filter.
- Designed for any residential system
